# EUNICE ALVAREZ

International Missionary serving in Ecuador in the  
area of pastoral formation

## TIME OF TRANSITION

Blessings, dear Friends,

I hope that in this new year that the Lord is blessing you in abundance. This is a time of preparation and transition. I moved to a different apartment the first days of February, and getting the internet installed was difficult. But, thanks to God, it is now working again so I can continue with on-line training.

18 students participate at the Comité del Pueblo church and 7 at the Ferroviaria church. They are studying the Multiplication of Leaders, Groups and Churches 1 module, which trains in community church planting techniques.

**4 STUDY CENTERS**  
**49 STUDENTS**

The churches in Esmeraldas are starting next week with 12 students studying Panorama of the Old Testament. The church in central Quito has 12 students who are studying Panorama of the New Testament.

God keeps showing His grace and power to keep each student encouraged and with the desire to keep preparing themselves to serve God. Thank you very much for your prayers and gifts for this ministry here in Ecuador.

Blessings,  
Pastor Eunice Alvarez
