### Seminary Year Off to a Great Start

The Brazilian academic year begins in February and we began the semester with three nights of seminars on the authority of Scripture. This was required viewing for our 38 students, but over 600 people watched the videos on YouTube. A pastor from another denomination told us he was so impressed with the love for God's word expressed by our speakers that he signed up to take classes with us!

We praise the Lord for our godly teachers and enthusiastic students. This is an answer to your prayers!

### Nothing is Impossible for God

It's been a year of coronavirus shutdowns, but we continue to hear stories of how the Lord's work is not hindered by earthly limitations. One example has been the construction of the Parque Alvorada FMC. Even before the pandemic, this church was struggling. How on earth would they be able to finish their building under dire conditions? God made a way! To read how He showed His great power and mercy (and to see updated pics), follow [this link](#).

## So Much to Be Thankful For!

In addition to acting as curriculum coordinator at the FM seminary, Dan continues to teach and preach. Hope is thrilled to be teaching inductive Bible study and is also involved in developing a Sunday school curriculum that will be used in Free Methodist churches throughout Latin American.

**Thank you for your prayers and sacrificial [giving](#) that make all this possible.**

For His glory and our joy, *Hope and Dan*

## PRAYER REQUESTS

1. Our health (physical, mental, spiritual), 2. Fruitfulness in ministry, 3. Our four adult sons as they make decisions about jobs and careers. Pray that they'll seek God with all their hearts, 4. God's transforming work in the lives of each of our seminary students.

**CALLING ALL PRAYER WARRIORS!** On the last Tuesday of every month, you are invited to participate in an online prayer meeting for Free Methodist ministries in Latin America. More info [here](#).
