

Dear Supporting Churches, Friends, Family, & Groups...

Hello family & friends!

Wow, what an incredible two years it has been serving the Kingdom Work in Győr, Hungary. From the very beginning, it was an act of offering our family to the leading of Gods' heart, and we've experienced His presence and fruitful work of the Spirit, even while serving through some of our worlds' most challenging recent seasons. As we flew "home", I was struck by the empty keyring I have in my backpack. It used to have a house key, an office key, and vehicle keys along with a "Celebrate Recovery" chip as a reminder we are all celebrating freedom from sin.

But as we were heading back to the US, the key ring was empty. We come before God once again, emptied of so many things that we are tempted to be identified and value by.

We have lived in such a way these past two years in some very real ways. We could not live, travel, shop, or do many of the “basic” things in life without the provision of God’s resources through people, families, groups, and churches like yours. Some of you may have given out of a sense of duty, and God has definitely honored that. But many of you have given gladly from hearts stirred by the Love of God that was being revealed in unique ways through our family.

As a practical update: we want to let you know that our receiving account with Free Methodist World Missions will officially be closed June 30th. We are so thankful for your continued support in our season of transition through then.

As we write this update to you, I’d also love to tell you briefly about a few others. Others who live their lives daily, trusting that God will provide for them as they offer His Kingdom their lives in service. To them, your support of us has been “a key” to stepping forward in new ways. It would be easy to consider your support of us ending soon, and move on to something else. But if you’d be open to it, I’d invite you to prayerfully consider continuing to support one of these areas we have been blessed to serve. They need God’s global resources to be aware of their work, and perhaps that’s a continued part of God’s plan for our time in Hungary - to hold these people & needs before their brothers and sisters who may have resources that might be directed toward them. If even a few of our supporters would respond to the invitation, it could make more of a difference than we often realize.

1. Pastor Sylvia Nyiri - we've installed her fully as the "Lead Pastor" in Győr, yet the church does not yet receive enough giving "in house" to support her. The small monthly amount they've committed to her will not be able to last forever, without targeted giving by overseas partners. The powerful testimony she bears witness to, as a Roma woman pastoring in Europe - is a light in an often nationalistic culture. She is working hard to not only serve, but grow - as she is on track for ordination in a couple years. This small fluctuating community of internationals who find welcome and refuge together will continue to transform lives for generations to come under her pastoral leadership. If you'd like to commit to supporting Sylvia, or even want to send a one time gift, please click on the ["Hungary Support"](#) page, and include a note with Sylvia's name.

2. Pastor Zsuzsi McNamara - As the assistant pastor of the Budapest church, and the Hungary Set Free leader, Zsuzsi gives of herself regularly in lifting up and loving the marginalized and lonely children and women most at risk of human trafficking in Europe. Such children and women are obviously not able to pay anything for Zsuzsi's ministry, and so we'd invite you to consider a one time or regular commitment to the Kingdom work she's leading in Hungary.

3. Perhaps you know of these needs, but you'd also like to give more broadly to the needs as they arise **in Hungary and beyond**. Through the continued work of [Gerry McNamara](#) and [Josué Fajardo](#), new leaders and developing projects are always in need of particular encouragement and resourcing. Please consider continuing your giving toward the "[Hungary Church Planting & Development Fund](#)" or even the general "[Europe Development Fund](#)".

(We recognize these details may be confusing, and you want to make sure you find the right fund - so please call the Free Methodist World Ministries Center (800-342-5531 or 317-244-3660) and ask for Debra Hancock or Jon Fajardo in the Finance office for more assistance!)

No matter what happens next, we ask that you would please remember the beautiful and redemptive work happening in Hungary. Keep them on your prayer list. Always feel free to reach out to us for an update on any of the ministries or areas we've ever talked about. We are a global family of God, and one day we will be gathered with each of them before His throne in completely new ways! May Gods bless you with even a portion of that joy even now!!

In Christ, Chadwick, Sarah, & the Anderson Family ∞

"I do not cease to give thanks for you as I remember you in my prayers. I pray that the God of our Lord Jesus Christ, the Father of glory, may give you a spirit of wisdom and revelation as you come to know him, so that, with the eyes of your heart enlightened, you may know what is the hope to which he has called you, what are the riches of his glorious inheritance among the saints, and what is the immeasurable greatness of his power for us who believe, according to the working of his great power."

Ephesians 1:16-19
