

April Praise

+For Mika wrapping up school & internship & her upcoming graduation (May 2). Praise God for his gracious provisions, guidance, and good plans for her future.

+For an opportunity to share a Christian book (Shiokari Pass) with a retired gentleman Minori and I see often on our walking route. He gladly received the book & we hope to follow up in a few weeks on his impressions.

May Prayers

+Continued prayers for our dear friends and colleagues in Myanmar. They are going through a time of hardship and testing. The Internet is being controlled and limited. Food is becoming more scarce. Violent confrontations, imprisonment, and even death are occurring ongoing.

+For more open doors to raise up leaders and make disciples in Japan so that more and more people may hear of God's amazing love and plan for them in Christ.

Thanks for your partnership and prayers. You remain in our thoughts and prayers!

In Christ,

Gene & Minori
