

Dear prayer partners in our ministry,

Greetings in the name of Jesus Christ. We are thankful for your prayers for our ministry. These are challenging days for Taiwan, but we know God is doing new things.

Due to health orders from the government, all church activities are canceled until at least June 14. All schools are close until that day. Any place you go you must register your name, phone number and time of day you are at that place. The purpose for this is to trace any infections. We average 300-400 local cases a day. Most of the local cases are in northern Taiwan. We must wear masks anytime outside the house.

Satan said to God, "With COVID-19 I closed all your churches!" The LORD said, "On the contrary, I just opened one in every home." We have use this time to disinfect the church. We have encouraged families to watch the Christian TV worship on Sunday mornings. That gives an opportunity for some non-Christians in the family to watch. Our new believer Chi-Chi watches with her kids and mother in law. Debbie watches with her mother and the care-giver. Pray for some whose family mocks them when they join the worship, for example, Mindy's husband Thomas mocks her. Mindy is the one woman in the fast and pray meeting picture wearing a mask.

We can give thanks to our assistant pastor, Joycelyn, who is assisting with online learning because their parents cannot help. She is taking this chance to disciple them. Although the churches is close for meeting, but Lily still can do one to one discipleship. Also we still can do online Bible reading every Friday night using Google meet. Our fast and prayer meeting is using LINE.

Thank you for praying for our Mother's Day service. We had some non-Christians come including Larry's parents. We invited a gospel team called The House of Grace. They use the power of the gospel to help addicts quit alcohol and drugs. Pray for the sermon and the testimonies to impact the hearts of people.

Praise the LORD!!! Mr. Pan, an eighty four year old man, accepted the Lord and was baptized last Saturday. Mr. Gwo has been helping him on Saturday mornings for at least half a year. Mr. Pan did not want to believe in Jesus and uses bad words when talking to people. We are thankful for Mr. Gwo's patience to work with him. We know the LORD did a real work in his heart. Please pray for another nighty six year old woman, Ms. Liu. She is Shelly's mother. Although Ms. Liu's heart was hard, but the Holy Spirit is softening her heart. Pray for her salvation.

Thank you for praying for the junior high teacher's fellowship. Because the schools are closed, the fellowship is meeting online. One

teacher, Mr. Shr, a chemistry teacher joined this fellowship in April is not a believer but likes this fellowship. He did not join in the online meeting in May. Pray for the schools to open after June 14. Also pray for churches to reopen so we can meet together as a family.

Today in our prayer time we prayed for Boston Heights church. Our prayer is for them to find a new pastor. We pray for all of you because you are so special to us. Please let us know how we can pray for you.

Joyfully serving in Taiwan
