Marie Osborne
Philippines

From 2003 to 2019 Marie (Rie) Osborne served as an extended-term missionary in Creative Access Country-CA. Rie was redeployed to the Philippines in 2019. Her primary ministry is teaching English at Asia Pacific Nazarene Theological Seminary (APNTS). As an instructor in the school, she assists students, pastors and leaders from multiple countries in improving their English skills. The development of their English skills enables them to succeed in their seminary studies and ministry training. It also gives them the ability to engage in communication and cooperation with their Free Methodist co-workers on an international level. Additionally, Rie participates in campus devotional activities, meets regularly with other Free Methodist faculty and students, and helps mentor young people preparing for ministry.
