Michael & Maria Long
Greece

The ongoing refugee crisis has changed the ministry of Michael and Maria Long. The FM Church of Thessaloniki is multicultural and multilingual, with Muslims regularly visiting since Easter 2016. Currently there are separate meetings in English and Farsi. The Greek FM nongovernmental organization (NGO) called Anagenesis (New Birth) runs the Mia Tribe Social program to assist vulnerable people who have been abused, neglected, or who are immigrants. We Love Greece is a relationship-building outreach and discipleship ministry.

Birthdays: Michael – April 16
Maria – June 17

Anniversary: August 15
