

## PREACHING JESUS IN PORTUGAL AND AMONG THE NATIONS SINCE 2000

“How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, “Your God reigns!” ( Isa. 52:7).

### REFLECTION

How grateful I am to God for the privilege of being called by Him to be a proclaimer of the Gospel. This Gospel that saves, sets free, heals, brings peace, transforms and allows us to walk in newness of life. Hallelujah!!!  
JESUS IS THE PRINCE OF PEACE!!!

### REASONS TO PRAISE THE LORD

June was a very special month for several reasons:

- 1) We took a missionary trip to São Tomé with a team of 11 people and we co-operated with our church there in various activities. .
- 2) We spent some quality time with the Souza family and with all of the workers who are supporting our church there.
- 3) We gave training, not only to the leaders of our church, but also to more than 60 pastors and leaders of other denominations.
- 4) We baptized 6 young Sao Tomeans. A great blessing!
- 5) We had the opportunity of sharing Jesus in some very needy communities.
- 6) Praise the Lord, because on the island there is almost no talk of the pandemic, the number of infected people is ZERO.
- 7) The Pastores Moises e Jacione have already been vaccinated and thank God, they are in good health.

### IN PORTUGAL

In spite of the pandemic, the church has continued united. Eventhough we cannot have church services with everyone present, we praise God because everyone is being shepherded and taken care of by our wonderful cell group leaders and disciplers.

Anyway...the work does not stop!!

We also baptized 6 new people. That's fantastic! Glory to God.

Our online Bible School has worked very well. At the moment we have 20 students.

### GRATITUDE

- 1) We praise God for the life of Anabela who went through breast cancer but thanks be to God, she is reacting well to the treatment.
- 2) We praise God for the life of Brian who had a stroke, pneumonia and some kidney complications. He was in critical condition for a while but God heard our cry and restored his health. Praise the Lord!
