Celebrating New Life in Christ

LEON FAMILY SERVING IN COSTA RICA
MISSION DISTRICT 360

God is always working, even when we can't see Him or we see only obstacles to the spread of the gospel. During the pandemic we were able to reach out into the community like never before through the Pollito Project and we saw people come to Christ because of Zoom meetings!

Nico is from Argentina, he had been searching for fulfillment his whole life. This search led him to drugs and alcohol, eastern religions, self help programs but he never felt complete. One night as Nico's girlfriend participated in a Pura Vida Church bible study via Zoom he began listening in, he scribbled questions on a scrap of paper and passed them to her so she could present them to the group. As he listened he heard the simple message of salvation and wanted to know more. He continued to participate in the bible study and began joining his girlfriend for Sunday services online. He was one of the first ones there the first Sunday we were able to meet in person again. He has found fulfillment in the perfect love of Jesus. He and his girlfriend are getting married in a few months and look forward to being baptized together soon.

We want to connect with you and hear what's new?

We would love to meet up for coffee with you! We miss you and our plans to come for a visit have been postponed again and again. We are available to get together over ZOOM most afternoons Monday - Friday, shoot us an email to figure out a time.

After a brief return to online Sunday Services all three Pura Vida Churches are now back to in person meetings. And all three have seen increases in attendance over the pandemic.

The UNO+ centers are also all back to in person meetings. We are focusing on tutoring to help students who need to get caught up after so many missed school days due to closures.

Ways to Pray

~ We have our annual meeting in October and we ask that you pray with us for logistics to go smoothly, for a renewed energy within the church body to grow and expand.

~ As things open back up and groups can begin to meet in person again we see new groups starting.

~That we continue to seek God's will.
