I am one

2021 IML Annual Report

Dear FMWM,,

As the 2021 comes to a close, we want to thank you for partnering with God in the transformation of Latin America! Thank you for giving generously and praying faithfully, not only to support the Gómez family ministry but to support many other ministries in the Latin American Area. In appreciation, the Latin American team made a short video which provides a small glimpse of what God is doing here in Latin America. As our gift to you, we invite you to watch the video and share it with your friends and church family.

We also invite you to be in prayer with us as 2022 begins for...

- The Leadership Summit in Jardín, Colombia January 9-15. This vision casting retreat will bring together all of the Latin American Mission District Leaders and Conference Superintendents as well as the Coordinators of each pillar and the mentoring team.
- The Community Church Planting Summit in Medellín, Colombia January 16-21. Which will bring key leaders in the movement from all over the region as well as North America for days of training and encouragement to continue multiplying committed disciples.
- The team who has translated, contextualized and adapted the Roots Children's Curriculum as they begin to train children's workers and the material is used to develop healthy leaders beginning at the age of three.
- For transformational churches, particularly the Mission District in Caracas as they equip and open a medical clinic to serve the needs of their community.

Again, thank you for partnering with us for the Cause of Christ in Latin America.

May the Lord bless you with His Peace and Joy this Christmas Season! With love,
Ricardo, Beth, Juliana, Jonathan & all of friends in Latin America

The Free Methodist Church-USA commits to making every effort to honor your requested gift designation. In the event this is not possible, or funding exceeds the need, your gift will be applied to a similar ministry area that best meets the needs of the church.
