

2022 Update

2022 brings new opportunities for God to use each of us. As we begin this year we recognize how critical prayer is for the work God has called us to do. The following are some praises and prayer needs:

Praises

His faithfulness to us in 2021.
Opportunities for ministering.
His healing and restoration of health.
Our prayer and financial supporters.
The opportunity to publish Sherry's book.

Prayer Needs

Wisdom for the next months as we prepare for departure.
Additional monthly financial supporters to meet our budget.
Pray for the leaders we will be mentoring and coaching.
More nationals to be called to serve in Asia.
Continued healing and restoration.
