**Emmanuel
& Rachel
Nzungize**
*Rwanda –
Associates*

Emmanuel and Rachel met in Kibogora, Rwanda, in 2015 while Rachel was volunteering as nurse at Kibogora Hospital. Emmanuel, a Rwandan, was her translator. Their friendship developed and they were married in 2018. After a few years in the United States, they feel God is calling them back to Kibogora. Both Emmanuel and Rachel are nurses and are excited to care for patients and provide education for other nurses and nursing students. Rachel recently completed her master's degree in global health and hopes to assist hospital staff with quality improvements as needed. The Nzungizes also look forward to welcoming short-term volunteers and serving as a bridge within the community. They have two young children, Noella and Matayo.
