# facts

South America's most northern nation is so much more than its reputation suggests.

Population - 50 Million

Capital City - Bogotá

Language - Spanish

Drugs, violence, and guerrillas may be a feature of Colombia's past. But today, it is marked by new life, vibrant hope, and growing stability. Everywhere are signs of a nation healing and rebuilding

# faith

Despite being a "Christian" nation, up to 90% of Colombians don't yet have a personal relationship with Christ.

Missionaries and Evangelical churches have been able to operate freely in Colombia since 1991.

Many churches and denominations are growing dramatically thanks to broad and impressive receptivity to the Good News. Colombians are hungry for Jesus.

# fruit

The Free Methodist Church in Colombia (established 25+ years ago) has witnessed God bringing about exciting new fruit especially over the last 4 years.

There is a palpable sense of excitement as we observe God on the move! Ministry is gaining new traction, and lives are being changed as The Father draws His lost children to himself.

## Since 2015

- 3 new cities reached
- 50+ Church planting initiatives launched
- Massive continent-wide pastoral training curriculum developed

# family

We are thrilled to answer God's call to serve in Colombia. Our new lives and ministries begin in our new home Dec 12, 2019.

Nikki and Thad have felt drawn to Missions since before they were married. Fourteen years, a couple masters degrees, three churches and two lovely daughters later, the Lord impressed upon them that now was the time, and Colombia was the place.

## Little Rollers

- Lily is 9, loves animals (especially horses), is kind and has a good start on Spanish.
- Evie is 6, very funny, loves her purple glasses and wants an orange kitty in Colombia.

# vision

We are committed to fueling and sustaining a movement to reach Colombia for Christ through leadership development and church planting using the PIC (Community Church Planting) method. Specifically, we will be pouring into young leaders (**there are currently over 100!**) being trained to plant churches in their own communities.

## HOW PIC WORKS

### GEN 0

Called to the harvest, you respond in obedience and go to the lost

### GEN 1

You find a person of peace, share the Gospel and if they accept Jesus, begin discipling them along with family and friends as a new church

### GEN 2

You immediately teach new believers to share their story and God's story. Soon, they will find people of peace and start more new churches around them.

### GEN 3

As you continue investing into fruitful leaders, their disciples make disciples and a third generation of churches begin.

### GEN 4

By the 4th generation the movement is self-perpetuating.

# partner

There are three meaningful ways you can partner with us in the work in Colombia.

## Pray

Sign up for our monthly newsletters or follow us on Facebook for up-to-date prayer needs

## Go

Talk to us about being a part of a short-term missions experience

## Give

Prayerfully consider including our family and the ministry of Colombia in your monthly budget

More info next page

# Pray

WHY?

The ministry in Colombia is a spiritual matter that bears fruit not by human strength but by the power of the Holy Spirit. When you diligently pray, you partner with God in moving this ministry forward!

HOW?

Send us an email and ask to be added to our monthly newsletter list. Also, like "RollersColombia" on Facebook to stay informed. If you want even more specific prayer requests, let us know and we'll happily provide them.

# Go

WHY?

Participating in the Global work of God is a powerful and transformative experience that can make a lasting impact on all those involved.

WHAT?

English camps, prayer journeys, leadership summits and construction projects are some of the short term trips currently being planned. Most are 7-10 days, and can be surprisingly affordable. Whether an individual, family, or church group is interested, let's talk!

HOW?

Let us know of your interest. We'll talk with the national church leadership. Once we work out the basics they'll formally invite you and we'll connect you to our missions HQ in Indianapolis for logistical support.

# Give \$

WHY?

We, like all FM Missionaries, raise our support. We can only minister on the mission field because of the faithful financial support that we receive from folks like you. So when you give, you directly participate in the fruit of the ministry. There will be lives changed, churches planted and church planters trained because of your giving!

WHAT?

Our family has committed to raise a significant annual budget that will cover not only our own costs of living and ministry, but will also go towards church planting and leadership development, travel, and regional oversight, operational expenses, and administration. As of now, we have pledges from individuals and churches that amount to about 85% of this budget for 2020.

HOW?

If your family or church would like to partner with us financially we thank you! Tax-exempt donations can be safely and conveniently set up online through our agency's website.
