

“How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion,  
“Your God reigns!”

Isa. 52:7

## REFLECTION

How gratifying it is that we can declare with all certainty that in spite of everything our God reigns! He is in control and for that reason we have motives to worship him!

## PRAYER REQUESTS

- For our ministry in general but especially for the cell group ministry because since the beginning of the pandemic we have had cell groups online and sometimes we have felt that people are a little demotivated.
- Our Pastors. There are five Pastors in Portugal today and we pray that God continues to strengthen us and that together we may go forward into a new season.
- Our discipleship ministry has been a blessing but please pray that God continues to revive us and help us to “make new disciples”.
- Please continue to pray for the new converts, principally for Monica who is a Portuguese lady who sometimes participates in the cell group and comes to church.
- Pray also for Filomena that she may make peace with Jesus.
- For our physical and emotional health and well-being.
- End of the war between Russia and Ukraine.
- Ukrainian refugees.

## REASONS TO PRAISE THE LORD

- Last April we had the privilege of going to São Tomé and Príncipe with a group of 7 people to be with the Souza family. It was a very special time because we did various activities with women, children and young people. We also did training for pastors and leaders.
- We gave training to 100 pastors and leaders of various denominations and without a doubt it was very worthwhile.
- I also had the privilege of celebrating my birthday together with Cindi who turned 50. We celebrated our birthdays with people who are very special and blessed.
- In May we also had the privilege of participating in a missionary retreat and the European Conference in England. It was a very precious time of communion and sermons with our ministerial colleagues. Even though I don't speak English yet, it was good to feel the love and affection of each ministerial colleague.

Thank you very much for your prayers and partnership. May God continue to bless your life, your ministry and your family in Jesus Name.
