

Dear prayer partners in our ministry,

Greetings in the name of Jesus Christ. We are thankful for your faithful support in our ministry. We will share with you what God is doing.

On Lily's birthday April 9th, a new Taiwanese group was formed. It was started by Mr. Zen who was meeting with Lily on Tuesday morning. Then we wanted to invite Mr. Hsu could not come on week days. So we decided to meet every Saturday morning in Mr. Pang's house. Some of the people in this group have difficulty reading. Elijah is the leader and he will work with Lily to lead the meeting. Praise the Lord! It formed quicker than we expected. Pray for Elijah to help these men to grow.

Thank you for praying for our Easter service. We are thankful for pastor Jiang who is willing to lead our choir for Easter. She will continue to lead our choir. Also, a former church member came to help play the piano that day. Praise the Lord! We really needed her help. The choir sang BECAUSE HE LIVES. That is what we want to proclaim. Although we had invited several non-Christians, they dared not come because of the rising COVID cases in Taiwan.

Last Thursday we went to the park to talk with Mr. Hsu. Surprisingly Mr. Zen and Mr. Tsai were there. The reason we wanted to talk with Mr. Hsu was concerning his mother in law. Mr. Hsu and his mother in law do not get along and he does not want her to come back from the nursing home. Tim told a story about how he had a precious time with his father. And this will be a precious time to Mr. Hsu's wife. The other men also learned about how precious time is with the family. Then Mr. Hsu agreed to let his mother in law come back. Pray for Mr. Hsu's heart to welcome his mother in law back home on May 2nd .

A young man named John came to church to talk with Lily. He is from another church. Although his heart is good but he did not commit to a church. Lily discovered that his reading level is not good. Lily encouraged him diligently to read the Bible every day and take notes. We are praying for his devotion time to be steady. Please pray for John to find a church and commit to it.

Thank you for praying for our reading group led by pastor Jiang. The book they are reading is called BUILD IN LOVE. The group is made up of nine women which meet on Tuesday afternoons. One of the nine is a seeker named Ms. Chen. Everything shared in the group stays within the group. We had a good beginning and several are looking forward to the next time. This group will meet seven times. Please pray for

healing and growing among them.

Thank you for continuing to pray for the junior high teachers' fellowship. They meet once a month. They consider this time to be precious. Even the students can see this is a warm environment. There are three seekers in this group. Please pray for the Holy Spirit to touch their hearts.

Thank you for praying for Lily's right wrist. There still is some discomfort especially when she plays the piano. The doctor said damage to the cartilage cannot be healed, but God can.

Please pray for Taiwan which is experiencing a rapid increase in COVID cases. Today we had over 11,000 new cases. Pray for us to be safe and avoid crowded places. The churches are still meeting in person.

Today in our prayer time we prayed for the Ohio conference leadership team. We are thankful for their faithful leadership. Please let us know how we can pray for you.

Joyfully serving in Taiwan
Tim and Lily
