

Dear prayer partners in our ministry,

Greetings in the name of Jesus Christ. Thank you for your faithful partnership in our ministry. We enjoy sharing with you what God is doing because you pray for us. You are very special and important to us.

Praise the Lord for the ministry that Irene has with four girls, they are Linda, Joy, Wendy and Cindy. They meet in the church Monday to Friday from 9am to 4pm. This is needed because their parents work. Besides doing their summer vacation homework, they are also learning how to clean their classroom and how to be more polite. They need to learn proper manners which they don't get at home. We had a KFC lunch last Friday. Pray for Irene as she does this important teaching.

We are thankful for the ministry of Elijah who is studying in a seminary. Starting In August he will be practicing in another church. Last Sunday we had a time to bless and pray for him. He has been helpful for our Sunday school, youth group, and Taiwanese ministry. Yesterday he also went with us to visit Mr. Pan in the nursing home. Thank you for praying for Mr. Pan. The Lord prepared a good nursing home for him. We can see how happy he is when we visited him. Mr. Gwo even cut his hair and finger nail for him. We need to encourage his faith and try to visit once a month.

Thank you for praying for Susan who is being disciple since July. She is a junior high school teacher. Her son always comes with her. Also being disciple is Joy and Linda from Irene's class. Linda has a lot of questions. Our prayer is they will build a steady devotion time every day.

Thank you for praying for our Evergreen fellowship. In July we met in our community park. At that day Elijah shared with our old people. These people like spending time together. On August 16th we will meet in the church and have lunch together.

Last Saturday two groups from our church went two different communities to pass out tracts. Also an invitation to our Father's Day service. We invited a group called Home of Grace. The message will be good for seekers. Pray that nothing will block people from coming. We prepared the gifts and New Testament Bibles for seekers.

A few items to pray for: pray for local COVID cases to go down. We are still averaging twenty thousand cases a day. Continue to pray for healing of Lily's wrist. Please pray for peace between China and Taiwan.

Today in our prayer time we pray for our Ohio conference churches. We know that you pray for us and we want to pray for you. Please let us know how we can pray for you.

Joyfully serving in Taiwan
