

Dear prayer partners in our ministry,

Greetings in the name of Jesus Christ. We are thankful for your partnership in our ministry. Your prayer support is important to build God's kingdom in Taiwan.

Due to the high rate of local cases in Taiwan, we close the church for two Sundays. We opened the church on June 26th for in person worship. We sanitize the church on Saturday morning. In one of the pictures you will see some of the people that came. The good news is the cases are going down.

On Sunday June 26th we were blessed to have a ninety five year old pastor shared in our church. Many people were moved by his example. He drives to different churches every Sunday to preach. His wife always goes with him. He blessed us and we want to be a blessing too.

Thank you for praying for our reading group. The final was watching a movie called "FIREROOP". After the movie there was a time to share and discuss. Mr. Gwo was moved by the man who confessed to his wife in the movie. We are thankful for leadership of pastor Jiang as she led the group. There is another reading plan possibly for this fall or next year.

Thank you for praying for our Taiwanese group. Even though the church was closed the Taiwanese group still met in person. The day before Father's Day, we met in Mr. Pan's house. When we asked him to share about his father Mr. Pan wept. We are working on helping Mr. Pan to find a nursing home. We are urging the community leader to find a social worker to help him. Because he's fallen many times. Pray for Mr. Pan to have peace when he goes to a nursing home.

Please pray for Joycelyne and Irene as they are trying to prepare for Children's English summer camp. The camps will be online next week. Free Methodist Youth Camp will be 14th and 15th online as well. The theme for the youth camp is about male and female relationship. Pray that there will be young people who will want to attend this camp online.

Jessica returned the BIBLE and the book PURPOSE DRIVEN LIFE back to the church. She will no longer attend our English fellowship. Jessica says since she came to the church she has stomach pain and lost of appetite. We know this is spiritual warfare. We will try to keep in touch with her.

Please pray for Lily as she will do online discipleship for a new

believer. Ms. Wu, She is a junior high school teacher. For Lily this is a challenge.

Today in our prayer time we prayed for our many friends who pray for us. We want to pray for you just let us know how we can pray.

Joyfully serving in Taiwan  
Tim and Lily
