

**We believe that 2022 will be a  
tremendous year filled with  
the blessings of the Lord!**

**On January 20th we celebrate 3 years of the Free Methodist Church in São Tomé. We only have reasons to praise and thank God for everything He has done, because we have seen the hands of the Lord present in our ministry.**

We have seen growth not only in quantity but also in quality, little by little we are fulfilling our mission which is to make disciples who are agents of transformation in São Tome and Principe.

---

*At the end of the year we We praise God for the Free Methodist distributing backpacks at Church in Portugal, which carried out supplies to children in our the campaign to collect school communities. Thus being materials and send them to Sao Tome. contribute in the education of the children.*

---

We have had the opportunity to dedicate some babies, following the example of Mary and Joseph who took Jesus to be dedicated in the temple.

One of these babies is the son of Raquel Camonha and Abtelson Viegas that we tell the testimony in the last informative letter. It was a great emotion!

---

We are very happy for this blessing granted by the Lord: we were able to buy a motorcycle for our workers Aylton Santos and Fabiela Santos. The motorcycle came at a great time, since Fabiela is pregnant and this will make their lives easier.

We thank the people who contributed both in prayer and in monetary offering to make this come true, may Sebhör give back to each one!

---

In February we had a dinner for couples to celebrate Valentine's Day. It was an evangelistic event, as there are many women in the church who are not accompanied by their husbands. There were men who went to church for the first time and some have already returned. Hallelujah!

---

We carried out another training for the leaders of our churches. We believe that the training of our workers is essential, and we have addressed practical topics that

can help them in their personal, spiritual and ministerial growth. We want to generate disciples of excellence.

Prayer requests:

- For our physical, spiritual and emotional health.
  - For new converts who have taken the baptism class.
  - Among the students of the Theological Seminary, there have been some dropouts.
  - For the partnership and projects with Terramica.
  - For the Lord's provision of financial resources for the purchase of land for the construction of the temple.
  - For the Lord to raise up more partners for our ministry.
- 

Go therefore and make disciples of all nations, baptizing them in the name of the Father  
and of the Son and of the Holy Spirit;

Teaching them to observe all things that I have commanded you; and behold, I am with  
you always, even to the end of the age. Amen.
