

Dear prayer partners in our ministry,

Greetings in the name of Jesus Christ. We always thank you for your partnership in our ministry. In this letter, we will share with you what God is doing in this ministry.

It is a blessing for us to do the story time at our local elementary school. The class are second graders. Wendy and Mike are in this class. We try to tell stories that will encourage and build them up. The story has a biblical meaning, but we don't tell it from Bible. After the story, we ask questions to make sure they understand the meaning.

Thank you for praying for our Evergreen fellowship. The last time we have four seekers come. This is an answer to prayer because we have been wanting to have seekers come. Please continue to pray for Mr. and Mrs. Jen. Mr. Jen accepted the Lord, but his wife doesn't want him to be baptized. Our next meeting will be March 21<sup>st</sup>.

Last month we visited several people. One of them is Ms. Chiang who is in a wheelchair. Ms. Chiang said she is a Christian, but we can see her faith has no foundation. Lily and Shelly are meeting with her every Thursday afternoon for discipleship. Since she cannot come to the church, we have a small group that meets in her house every Saturday morning. Please pray for Ms. Chiang, she will have hip surgery on March 15<sup>th</sup>.

Thank you for praying for our food bank ministry. One grandmother, Ms. Hsu takes care of her grandson. The boy has a physical disability. Through several visitations Ms. Hsu has gradually accepted the Lord. She sees our church as a warm family. Irene took Wendy and Mike to visit the little boy. We are going to start discipleship with her. Please pray for her faith to grow.

Yesterday Lily and Mark visited Irene's mother. She is 80 years old. She has not come the church for a long time because she cannot read or understand Chinese. We still want to care for her. Our desire is she will become a believer. Pray for us to have wisdom how to minister to her.

This past Monday was a holiday in Taiwan. We have a group of people go to a big park for Bible reading. After reading we have a picnic and took a walk in the tropical plants area. Praise the Lord!!! The weather was wonderful. We had a very good time there.

We are coming to the US this summer. We want to share in your church. We still have many dates open. These are the dates open.
