Juan Carlos and Yaneth Rodriguez

## Training on the Basics of Transformational Churches in Paraguay

The first Training for the churches in Paraguay on becoming churches that bring transformation to their communities was on March 4th, led by Yaneth.

## Planning Meeting for the Centers of Pastoral Formation in Paraguay

This meeting to plan the beginning of Centers for Pastoral Formation included José y Ganny Ramírez, Betty Ramírez, Supt. Ceferino and his wife Zunny.

## Trip to Mexico

On March 7th we flew to Mexico, due to the unexpected death of a member of Yaneth's family. Yaneth also required surgery on her shoulder. We are so thankful to God for making this trip possible and for providing all of the resources and special people in our lives, who have supported us unconditionally in prayer and friendship.

## Pastoral Care Groups

On March 22nd and April 5th we both began a new role in our ministry, that of leading groups of Pastoral Care. These groups, for pastors and leaders who serve in Latin America, are formed to cultivate friendship and mutual support and meet once a month.
