“Bless the LORD, O my soul;
And all that is within me, bless His holy name!
Bless the LORD, O my soul,
And forget not all His benefits: .”
Psalm 103:1,2

IT HAPPENED!!!

The summer brought many opportunities.

I am very grateful to God, as He once again allowed me to go to the USA for 12 days. I went with the Angelos and Magalhães to visit our dear Pastores Elison e Marilia and to get to know and minister to our church in Boston, We were also able to spend a little time with our dear pastores and friends Sergio Elias and Denise Farias. It was a privilege, it was quick but worth it!

Another event over the summer was the Youth Camp which lasted for 3 days. It was a blessing to see so many young people thirsty for more of God. The theme of this camp was : From the inside out. It was powerful.

We also had our Vacation Bible School for the children. It was amazing and they loved it. The theme was: The creation of the heavens, earth and sea.

Our conference entitled “Preparing the Way 1” occurred in Lanzarote in the Canary Islands. It was a blessing. May all the policies and dreams be accomplished in the name of Jesus.

IT'S HAPPENING NOW

The new school year has begun in Portugal. It has brought new dreams, new projects and new perspectives to our hearts and minds and my wish is that our God according to His will, help us to develop and put into practice every dream and every project.

That is why we count on the prayers of one another.

DREAMS

Seeing our existing cell groups grow and multiply,
Seeing new homes opening up to host cell groups,
Seeing souls being saved and led to Jesus through the cell groups,
Seeing new students enrol on our Basic Seminary Course in Theology.
It's possible!!!
