

The Power of a Transformed Life

Meeting with the young people of the John Wesley school in the Cerritos FMC, Juan Carlos sharing his testimony of how God reached him.

Visit to the FMC in Emboscada, Paraguay

We visited the FMC in Emboscada where Juan Carlos shared the word and we celebrated the Lord's supper together.

Celebrating a Miracle from God

We were praying that the Lord would give us a vehicle to continue visiting each of the churches and regions in Paraguay and He answered us through an offering from a church in the USA and from a Christian business called Chacomer.

Visiting Bolivia

In November we visited Santa Cruz, Bolivia where we ministered to the church and shared with couples, young people and leaders.

Encouraging Visits

In December we had visits from Pastor Tanya Rosado (Argentina), Sara (Colombia) and Tricia (Washington).

We give thanks...

- For the approval of the visa in Paraguay for Juan Carlos and Yaneth
- For God's provision of a vehicle
- For being able to build healthy relationships with the leaders and pastors of Paraguay and Bolivia
- For every prayer warrior who is part of our ministry, for their unconditional support.
- For our children and the friends who are still with us from a distance.
