

## Todd & Deann Miller

### *Stepping Into a New Role!*

This past year we have been asked by Gerry Coates, the director of global engagement for Free Methodist World Missions to step into a new role as pastoral care couple for our Free Methodist missionary team in Europe.

Deann and I have given our lives to pastor and mentor those that God has sent us to. We served in youth ministry, international cross-cultural missions in Belgium and since 2009 we have been in Indianapolis, Indiana where we planted and currently lead The Gate, a congregational network of missional communities.

This additional volunteer role will allow us to once again be involved in the worldwide mission of Jesus, especially in Europe.

Living and ministering cross-culturally brings unique challenges – physically, emotionally, and spiritually.

We are trusting that God will help us to find creative and tangible ways to support, encourage, bless, and come alongside our missionary team in Europe.

Will you pray for us as we step into this new role? It will be a challenge to balance the demands of full time work and local ministry along with our new international responsibilities. And since this is a volunteer position, we are trusting the Lord to provide the financial support we will need to travel to visit our missionary team and to provide supplies and resources that we might need to bless our missionary families.

Would you also consider giving financially to this vital work? We are personally investing financially by tithing a portion of our income while Deann continues to work at Eastridge Elementary School and I continue to lead and pastor The Gate.

You can help us by giving either a one-time gift or ongoing support through Free Methodist World Missions at our FMWM Giving page –

[DF VIEAMiller - Free Methodist Church - USA \(fmcusa.org\)](https://www.fmcusa.org)

You can also learn more about Free Methodist World Missions in Europe and our gifted and faithful team by following this link –[Europe - Free Methodist World Missions \(fmwm.org\)](https://www.fmwm.org)

Our desire and prayer is that over time we can build close, life-giving relationships with our missionary team in Europe that will be an encouragement and blessing to them as they serve cross-culturally.

We will do our best to keep you updated and informed about our progress.

Thank you and may God bless you,

Todd and Deann
