Hi Friends,

Happy Easter!

FYI, this month I tried dubbing this month's video into Japanese using AI. It used my original voice and sounded pretty cool, but when I had Minori view it she laughed through the entire two minutes so I am sticking with the language I am fluent in. Here it is...

Thank you for taking this journey with us, every step of the way.

Blessings galore,
Gene & Minori

Praises:

1. Praise God for a fruitful discipleship collaboration with a team of young leaders in [S.E. Asia](#). God's presence was evident in the process of creating a discipleship plan for new believers. Thank you all for your prayers.

2. Praise God for his protection over Minori's parents while we were gone. They are doing everything they can to maintain life together at home.

Prayers:

1. Please pray for God's wisdom and guidance as the team (mentioned above) starts implementing the discipleship plan. Pray also for the new believers who are stepping into a new life walking with Jesus.

2. Continue to pray for Japan: for new leaders to be raised and many people to be brought to the faith in Christ. Thank you for remaining consistent and strong in prayer!
