**Tim & Connie
Kratzer**
*U.S.-Based Partners –
Democratic Republic
of Congo*

Tim and Connie Kratzer served in the Democratic Republic of Congo (formerly Zaire) in the 1980's. Now as U.S-Based Partners through Free Methodist World Missions and the Central Africa Healthcare Organization they continue work with Nundu Hospital. When not in the DRC they encourage and serve to connect international partners with the Free Methodist Church in the DRC for mutual collaboration in the work of God's Kingdom.

Birthdays: Tim – June 6 Connie – May 18

Pray for:

- wisdom in providing material assistance in an under resourced economy
- healthy relationships as the Kratzer's engage in leadership development adjustments to culture and lifestyle
- their work with hospital leadership to establish programs and ministries which are sustainable
- improvement in language acquisition
