

The time has come... we are retiring!

Since 2000 we have served with Free Methodist World Missions as career missionaries in Hungary. As we begin retirement on February 1, however, we will still retain a relationship with FMWM as U.S. Partners. Based out of our retirement home in Spring Arbor, Michigan, we will be available on a volunteer basis to speak about missions in Europe and to serve as advocates and consultants for our missionary colleagues and national leaders in Hungary and throughout Europe.

What's happening in Hungary?

The ministries in Hungary have been left in the capable hands of committed leaders. *Péter Tóth* serves as the pastor of the Budapest Free Methodist Church and as the administrator of the Bread of Life Foundation. *Sylvia Nyiri* serves as the pastor of the Győr Free Methodist Church. *Zsuzsa Mecséri-McNamara* serves as the coordinator of the Hungarian Set Free Movement and assists with pastoral ministries in both Budapest and Győr. *Erin Kingsley* has assumed oversight of the English ministries in Budapest and assists with the church fellowship, Set Free ministry, and outreach events. Together these four give oversight to the overall ministries of the Hungarian Free Methodist Church.

How can you take part?

Stay connected with the people and ministries of the Hungarian Free Methodist Church!

- Pray for each of the leaders as they take on new or expanded ministry responsibilities and as they seek the Holy Spirit's guidance in bearing fruitful witness to Gospel in their communities.
- Pray that the members of the Budapest and Győr congregations would mature in their faith and become active in serving in their churches and being lights in their communities.
- Pray for new vision, new leaders, and new resources for moving forward as God guides.
- Sign up to receive regular, short prayer updates, in English, from the Hungarian Free Methodist Church and the Hungarian Set Free Movement. Request to be added to the lists by writing to Pastor Péter at eletkenyere@gmail.com and to Pastor Zsuzsa at setfreehungary@gmail.com.

With heartfelt gratitude, *Larry and Katie Winckles* (419-320-5025)
