

## NUNDU NEWS— THANK YOU FOR YOUR GENEROSITY

From THE TREASURE PRINCIPLE by Randy Alcorn I would like to share two keys to generosity which Connie and I are experiencing in new ways.

### 1. One of the keys to generosity is “GOD OWNS EVERYTHING. I’M HIS MONEY MANAGER.”

We are the manager of the assets God has entrusted – not given – to us. The Lord has given us the gift of life and the material treasures we enjoy.

*You know the generous grace of our Lord Jesus Christ. Though he was rich, yet for your sakes he became poor, so that by his poverty he could make you rich. 2 Corinthians 8:9.*

*Remember this – a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. You must each decide in your heart how much to give. And don’t give reluctantly or in response to pressure. For God loves a person who gives cheerfully. And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others. 2 Corinthians 9:6-8*

What has God entrusted to us? Connie and I are blessed to have strength and resources to share with those in need. Thank you for being generous with the resources that Lord has entrusted to you in support of healthcare ministries DR Congo.

### 2. MY HEART ALWAYS GOES WHERE I PUT GOD’S MONEY.

Watch what happens when you reallocate your money from temporal things to eternal things. Jim Elliot is quoted to have said, “He is no fool who gives what he cannot keep to gain what he cannot lose.”

Jesus said, “Where your treasure is your heart will be also.” Matthew 6:21

**Yes, generosity flows to where your heart is! We have found our heart in the Congo. (Matthew 25:34-40)**

“... when you were doing it for the least of these ..., you were doing for it for me!” vs 40
