

ADVENT 2025

Christmas Eve

Christ Candle

**Advent hope moves us.  
Advent peace steadies us.  
Advent joy lifts us.  
Advent love surrounds us.  
And now, we welcome the Light of the World.**

**We light the Christ Candle to celebrate  
the birth of Jesus—Savior of the world.**

**From Bethlehem to Beijing, from Nairobi to New York,  
his light shines in every place where hearts receive him.**

**In him, our hope is fulfilled, our peace is proclaimed,  
our joy is complete, and our love is made real.**

**Joy to the world  
—the whole world—  
the Lord has come!**

**Hallelujah. Amen.**
