VAMOS JUNTOS!

Vamos Juntos! = We Go Together!

We are so excited that we are more than 50% funded! We had originally hoped to be in Panamá by November. Since then, we've learned that it takes most folks about 18 months of preparation, training, active fundraising, and visa/medical/travel arrangements, before they are in the field.

If you're interested in **partnering** with us, you can explore more [here](#) and use the green GIVE button. **Thank you** to over 55 people and churches who are already going on this journey with us!

PRAY WITH US

- Pray for God's continued provision and ask the Lord to help us go at His pace and that we make time for playfulness and refreshment.
- Pray for our kids - for God's peace, presence, and love.
- Pray that God's Spirit is already preparing the ground for great multiplication, one relationship at a time, in Panamá.

WHAT ABOUT THE SELBY KIDS?

Abe & Kallen are both in their 4th year of college and Shelli is busy with college applications for the Fall of 2026 and preparing for her gap year in Colombia starting this Fall. We have several things in place for the kids as part of our transition to Panamá, including family and friends who have opened their homes on both the East and West Coasts.
