SO YOU MAY KNOW AND PRAISE THE LORD!

♥ GOD ANSWERS PRAYERS

A New Step of *Hope*

“Jesus said “Stand up take your mat and walk.”

—John 5:8

**Your kindness became
her wheels of hope.**

**THANK YOU GOOD
SAMARITAN!**

An elderly woman in River Road, preaching point, has been in her small corner of the house, **either sitting or lying on her mat**. I wish the words of Jesus would echo in her life: **“Stand up, take your mat and walk.”**

After weeks of prayers, a good Samaritan came and **donated the exact amount** needed to buy a wheelchair.

Her dream of being able to get out and breathe fresh air, and most of all, **join the Sunday service, was granted.**

GOD EQUIPS LEADERS

Campus Leaders **PARTICIPATED** *Equipped Today. Impacting Tomorrow.*

From July 16–19, campus leaders gathered for a much-anticipated leadership conference hosted by Campus Crusade Fiji, with the theme “Let’s Go.”

The conference brought together students from Fiji National University, the University of the South Pacific, and other institutions. It provided a meaningful opportunity for students to connect, grow in leadership, and be encouraged in their faith and calling to share the Gospel.

GOD'S WORDS GIVE HOPE

Bibles *Distributed*

**GOD'S WORDS IN THEIR HANDS,
HOPE IN THEIR HEARTS** 

One of the greatest gifts we can place in the hands of a young believer is God's Word. This year, our high school students in the discipleship classes at both Howell and River Road were blessed to receive their own personal Bibles.

Having their own copy of the Scriptures allows them to actively participate during discipleship classes, become familiar with the books of the Bible, and develop confidence in finding and studying Bible passages on their own.

The impact has already been evident. Some of the students have begun bringing their Bibles to school and enthusiastically sharing the verses they learned during discipleship class with their classmates.

What began as a simple gift has become a means of encouraging them to grow in God's Word and witness to others.

We praise God for every Bible distributed and pray that His Word will continue to take root in the hearts of these young disciples.

What a joy to see young hearts eager to know and share God's Word! Pray with us that this seeds planted today will grow and bear much fruit for God's glory.

GOD IS THE SOURCE OF WISDOM

Reading Class *Opened*

**Building Readers.
Building Disciples.**

Every Saturday, our high school students from River Road and the boys from Waidamudamu faithfully gather for a two-hour reading class. What began as a simple effort to strengthen their literacy has become an encouraging journey of growth and confidence.

After three months of learning basic sight words, many of the older students have made significant progress and are now ready to

advance to reading comprehension. Their dedication and perseverance have been truly inspiring. Improving their reading skills not only enhances their academic performance in school but **also equips them to participate more confidently in discipleship classes.** They are now better able to read Scripture aloud, follow Bible lessons, and engage more deeply with God's Word.

We thank God for the progress these young learners have made and pray that, as they continue to grow in knowledge and understanding, they will also grow in faith and in their relationship with Christ

Children in Worship

Nurturing Hearts. Building Faith.
Raising Disciples for Christ

One of the greatest joys of our church is seeing children actively involved in the life and ministry of the congregation. At the **Free Methodist Church**, worship is not reserved for adults alone—our children are learning that they, too, have an important place in serving God.

With willing hearts, they participate in the preliminary service, read the Scripture before the message, encourage the congregation during the offering, and confidently lead the recitation of the Apostles' Creed. Their joyful participation reminds us that God calls people of every age to worship and serve Him.

Beyond the worship service, these young disciples continue to demonstrate Christ's love by serving the elderly during fellowship tea after church. They also faithfully join in prayer, becoming young prayer warriors who strengthen the ministry through their faith and devotion.

As we invest in the next generation, we rejoice to see God shaping these children into compassionate servants and faithful followers of Christ. Indeed, they are not merely the church of tomorrow—they are an essential part of God's mission today.

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.

—1 Timothy 4:12—

Campus
Leaders
PARTICIPATED

We praise God

for raising young leaders who are willing to go, serve, and make Christ known wherever He sends them.

Adding to the richness of the gathering was the diverse representation of students from neighboring Pacific nations, including Samoa, the Solomon Islands, and Kiribati. This diversity highlights the tremendous potential of campus ministry as a fertile ground for evangelism and discipleship.

As these students return to their respective countries and communities, they carry with them the message of Christ and the lessons they have learned. Through them, the Gospel can continue to spread from one campus and community to another, reaching more young people throughout the Pacific.

We praise God for raising up young leaders who are willing to go, serve, and make Christ known wherever He sends them.

Marriage Strengthened

“Therefore what God has joined together, let no one separate.”

— Mark 10:9

A Timely and Insightful Experience

Through meaningful discussions and practical insights, the seminar encouraged participants to deepen spousal relationships, strengthen communication, and renew their commitment to the sacred covenant of marriage. It was a valuable reminder that strong marriages require intentionality, continued learning, and a willingness to grow together.

Our national pastors expressed their gratitude for the opportunity to attend this enriching seminar. Experiences such as this help equip church leaders not only to strengthen their own marriages and families, but also to encourage and support couples within the church community.

“Marriage is strengthened when couples intentionally invest in their relationship, renew their commitment, and seek wisdom for the journey together.”

A timely and insightful seminar that renewed hearts strengthened bonds, and deepen commitment

Investing in Marriage

Our two national leaders recently attended a seminar on “The Art of Marriage,” hosted by Family Life and facilitated by Mere Nacuva and Pita Nacuva, former Fiji ambassadors to the USA. The seminar provided a timely and meaningful opportunity to reflect on the importance of strengthening marriage and nurturing healthy, Christ-centered relationships.

Believers BAPTISED

Celebrating New Life and Commitment to Christ

In July 2026, Free Methodist Fiji held a special Sunday service and baptism at Yatu Lau Beach Front in Pacific Harbour.

Following four months of discipleship classes, 16 individuals publicly committed themselves to following Christ through water baptism.

We praise God for the moving of the Holy Spirit, who continues to convict hearts, draw people to Jesus Christ, and bring them into a deeper relationship with Him.

Believers BAPTISED

We also express our sincere appreciation to Dr. Gene Hall for preparing and compiling the discipleship material, First Steps, which served as a valuable resource throughout the classes.

The FMC Fiji team is deeply grateful to everyone who continues to pray for open doors and for more people to respond to the Gospel. Your prayers and faithful support are part of what God is using to advance His work.

To God be all the glory for every life transformed and every soul brought to Christ!
