Missions Update

I am in the final countdown before boarding my plane to Spain! This ministry becomes more tangible daily, and I am reminded that it takes a dedicated community to get to the field. There is so much momentum building, and today I am excited to share exactly where things stand with my funding milestones and visa paperwork as the finish line comes fully into sight.

June was a busy month attending two church conferences: Shoreline in Michigan and the Southeast Free Methodist Conference in Montgomery, AL. I also had the exciting opportunity to visit two Ohio churches: Huber Heights FMC and Dayton Compassion International Church. These visits allowed me to engage with pastors, leaders, and members about making an impact in Spain.

July and August were focused on collecting extensive documentation for my Spain visa. On August 14th, I traveled to Miami to submit my application. Afterward, I enjoyed taking in the local sights, amazing food, and practicing my Spanish. Once my visa is approved, I will fly back to Miami to collect my passport.

God has faithfully provided over 77% of my support goal! Once fully funded, I will deploy to begin ministry in January 2027. I would be honored if you would prayerfully consider partnering with me through prayer and financial support as we take these final steps together. Thank you from the bottom of my heart for your vital partnership!
